RESPONSE OF UNITED STATES POSTAL SERVICE WITNESS NERI
TO NATIONAL POSTAL MAIL HANDLERS UNION INTERROGATORY

NPMHU/ USPS – T4-12 On page 18 of your testimony, you state that eliminating the need for mail processing facilities to wait for overnight First-Class Mail would result in an idle time reduction of 27%. Please provide a citation to testimony or library reference that supports this figure.

RESPONSE:

A correction to the testimony will be filed. The 27% figure refers to the total amount of idle time in the mail processing network as seen in USPS Library Reference USPS-LR-N2012-1/10.
